The Genève

Retractable Patio Awning

The Genève Retractable Awning is the elegant way to provide shade on demand, reducing cooling costs while protecting your family from harmful UV rays. Superior quality engineering and state of the art technology make this partially cassetted awning perfect for roof mount installations. The wrap around cassette protects the fabric from the elements while offering a refined appearance and operation. All frame components have an electrostatic powder coated durable finish to prevent chipping and cracking. Choose from five projections of 6'-11", 8'-6", 10'-2", 11'-8" and 13'-2"

Features:

- White, Almond, Black/Brown or Sand frame
- Welded fabric seams for increased performance
- German engineering and design
- Partially cassetted with or without drop screen
- Custom widths up to 40' in 1" increments.
Awnings over 23' will have a split roller and fabric.
- Patented articulating drop forged shoulders

Warranties:

- Frame – 20 years
- Fabric – 5 years
- Motor – 5 years

The partially enclosed hood is drawn down at the back to cover the roll of the fabric making this awning perfect for roof mount applications.

The optional Roof Mount kit includes heavyduty brackets for roof mount installation when wall space or height requirements cannot be met.

*Important Note: Retractable awnings are designed for sun protection only. Warranties will not cover damage caused by adverse weather conditions such as wind, rain, snow or sleet.

The Riviera

Retractable Patio Awning

The Riviera Retractable Awning is the perfect solution for installations with minimal mounting space, as little as 6 inches. The combination of its compact, state of the art design and its elegant fully enclosed cassette makes this the ultimate in retractable patio awnings. Double wall extrusions, drop forged arm components and wide choice of fabrics enhances The Riviera's strength and beauty. Widths are available to 23' in 1" increments. You have four projections to choose from: 6'-11", 8'-6", 10'-2" and 11'-8".

Features:

- Mounts in only 6" of space
- Welded fabric seams for increased performance
- German engineering and design
- Fully cassetted with or without drop screen
- Custom widths to 23' in 1" increments
- Patented articulating shoulders

Warranties:

- Frame – 20 years
- Fabric – 5 years
- Motor – 5 years

When minimal mounting space is an issue, The Riviera is the perfect solution. This awning can be mounted in as little as 6" of space.

Patented articulating shoulders provide easy to adjust pitch control. These drop forged arm components are made to last.

Warranties & Options:

What makes our awnings stand out from the competition is our attention to detail, quick delivery and service after the sale, if you need it.

We make every awning with the utmost of care to your exact specifications and back it with great warranties. We offer both Sattler® and Sunbrella® premium solution dyed acrylic fabric in over 100 solid or striped patterns.

Options are what make your awning special and add that extra bit of elegance and distinction to your home. We offer six different valance styles, with color matching braid for that finishing touch. We also offer four beautiful powder coated frames. We have a multitude of accessories to make your awning even easier to use, ranging from motorization packages to sun, wind or motion sensors. We want your awning to be used with ease and peace of mind for years to come.
